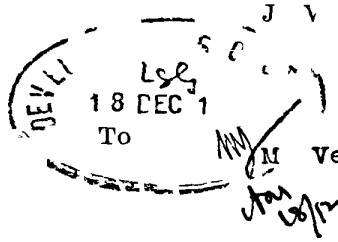
GRACE VILLE PALACE ROAD
Bangalore (S India) dated December 17, 193

FROM

J V KARVE Esq MB CHB (Edin) DPH (Lond)
Director of Health with the Government of
H H the Maharaja of Mysore Bangalore



To

M Venkatanaranappa, Esq, B A,
Secretary to Government,
Development Department,
Bangalore

Sir

With reference to your letter No L 2574/11 108-34-3 dated 3/5th October 1934, returning plans and estimates for Rs 1 03 400/- for the drainage scheme of Tumkur Town and requesting to obtain the approval of the Central Health Committee to the same I have the honour to state that to save delay the file of papers were circulated amongst the members of the committee Enclosed are copies of their opinions From the same it will be seen that all have approved of the estimate and have suggested that the work may be executed as early as possible

The Chief Engineer has, however, recorded that as the plans and estimates were prepared some years ago, it is desirable that the present Sanitary Engineer should check the same so as to have independent scrutiny The Sanitary Engineer has checked the estimates since He thinks that some minor changes are necessary and these will be attended to in the course of the execution of the work The President District Board, Mysore has suggested the levy of only 5% establishment, tools and plant charges

I now request you to be so good as to convey early orders of Government according the sanction to the estimates and plans and to the recommendations made to Government in my letter No C 1005-11 dated 14th September 1934

I have the honour to be
Sir,
Your most obedient servant,

Director of Health

Health forwarding the estimate and plans

Repeat
b) Sanad and proceedings 2 & 3 of the rules on the file 108-34(1-3) kindly returned

1611 4 Drawers of the plans & estimates

may be approved Under the rules, estimates exceeding Rs 5000 have to be scrutinised by the Chief Engineer before they are sanctioned by Govt, but in this case the Chief Engineer suggested, as a Member of the Central Health Board, that the plans & estimates which were prepared some years ago might be checked by the present Sanit Engr This stated by the Director of Health that the Sanit Engr has checked the plans & estimates, and further scrutiny in the Chief Engineers office is perhaps not necessary

J

»

5 The other points for decn are —

Z

(i) Bureau of Sanit Engineering to execute the work

(ii) Supervision & establishment charges to be charged at 5% on the total estimate

(iii) Any additional establt that may be necessary to be charged to the estimate

The Director of Health has stated that it would be possible to meet the supervision charges & the cost on addl establt from the present estimate

6 The estimate is for Rs 103,400, the whole of which is to be met from the loan of Rs 1,20,000 sanctioned

Opinions of Members

1 I am in favour of approving the plans and estimates of working out the scheme as requested by the President, Tumkur Municipality

Sd/- Y V K Murthy,
13-10-34

2 I agree

Sd/- M Srinivasa Rao,
18-10-34

3 I approve the plans and estimates, and the work may be started as soon as it is possible

Sd/- S Subba Rao,
19-10-34

4 The plans and estimates have been prepared some years ago It is desirable that the present Sanitary Engineer should check the same, so as to have an independent scrutiny The work may be started as soon as this has been done

Sd/- N N Aiengar,
19-10-34

5 I approve the plans and estimates But a recommendation may be made to Government to charge only 5% for Establishment charges and the work entrusted to the Bureau of Sanitary Engineering

Sd/- B S Puttaswamy,
16-11-34

6 I agree

Sd/- B K Garudachar,
15-12-34

7 The plans and estimates have been checked again Some minor alterations seem to be desirable These may be attended to during execution The work may be started early

Sd/- B R Garudachar,
11-12-34

8 The scheme with the plans and estimates may be approved The plans and estimates have been checked again by the present Sanitary Engineer This should meet the suggestion made by the Chief Engineer In actual construction any minor alterations necessary will be attended to, since the work is entrusted to the Bureau of Sanitary Engineering. The work may bestarted early

M 9

Adverting to Government Order No L 7089-92/M1 108-34-7 dated 9-4-1935 sanctioning an estimate amounting to Rs 1,03,400/- for the Drainage Scheme of the Tumkur Town and levying the establishment, Tools and plant charges at the rate of 18 % , I have the honour to - state that the matter was placed before the Municipal Council meeting held on 30-4-1935 and while recording the Government Order with thanks, the council have resolved that Government be requested to pass orders reducing ~~exps~~ the working expenses to 5 % as recommended by the - Director of Public Health and in case the Government are not willing - to do so, the Municipal Council may be driven to the necessity of - withdrawing from the proposal of raising the loan, unless the Government should allow the Municipality to work out the scheme amani by employing technical men

In this connection I write to state that the Town is a growing one and the whole amount of the loan has to be utilised only - for the Drainage scheme, ~~the~~ establishment, tools and plant charges were not included in the estimate prepared in the year 1930 since the scheme was proposed to be worked out by the Municipality themselves As Government have not been meeting any portion of cost as is usual in such important works, I request you to kindly place the matter before Government and obtain sanction either to reduce the Establishment, tools and plant charges to 5 % or to permit the Municipality to work out -

Subject - Re Drainage scheme of Tumkur Town-Municipality

Sir,

In continuation of this office letter No H C 30/33-34 dated 8-5-1935 re the reducing of the Establishment, Tools and plant charges to 5% as recommended by the Director of Public Health or to permit the Municipality to work out the scheme amani by appointing tenchnical men etc , I have the honour to state that the Sanitary - Engineer, Bureau of Sanitary Engineering, Bangalore is pressing me to place at his disposal the whole amount of the loan to enable him to start the work and the Comptroller also intimates in his letter No 750 Loans dated 6-2-1935 that renewal of Government sanction will have to be obtained if the loan is not drawn during the current - official year

The Sanitary Engineer has called for tenders for this - work in the Mysore Gazette dated 30-5-1935 Part VI at pages 1133 & 1134 receivable in his office upto 24-6-1935 It will take some time for the tender to be accepted and work to actually commence If the whole amount is drawn immediately the Municipality will have to pay interest unnecessarily on the whole amount from that date Moreover the whole of the amount is not necessary for payment in the next - 5 or 6 months I therefore request that the Government be pleased - to permit the Municipality to draw such amounts out of this -

P T O

this loan as are necessary from time to time for making payments for work done and charge interest on the amounts so drawn ~~if~~ - I request you to place this matter before Government and obtain early orders so that I may intimate this fact both to the Comptroller and to the Sanitary Engineer
